Flowers For Every Occasion

By the
Flower Arranging Team

Who We Are:

True to the church's Mission Statement that 'All are welcome', we are a diverse group of ladies, including professional florists. We all have years of experience arranging flowers, both in church and elsewhere. Some of us have worshipped at the church for over 30 years, and others simply love the building and the enjoyment of flower arranging!

What We Can Offer:

We provide flowers for baptisms, funerals, blessings, weddings, and any other celebration taking place in the church. There are many positions within the church where flower arrangements can be placed, including the porch, pews, lectern, pulpit, old chest, Lady Chapel, High Altar, North Chapel and window sills.

Our Service to You:

Beautiful and professional arrangements by our experienced team of expert volunteers.

Seasonal or requested flowers in colours of your choice. Exceptional prices with any profit directly benefitting the church where your celebration is taking place.

Your church looking memorable and loved on your special day.

Some Examples of Our Arrangements:

Garland

Our silkgarland of white lilac flowers can be placed around the arch at the entrance to the church.

Alternatively, we can create one from fresh flowers and foliage.

Porch

A beautiful arrangement in the porch is a graceful and important way of welcoming your guests.

Pew Ends

Decorating the aisle with pew ends creates a romantic atmosphere for a wedding and for the bride as she walks down the aisle to meet her groom.

Lectern

For all occasions a pedestal arrangement at the lectern has the most impact.

Pulpit

Often this is complemented by a matching display for the pulpit

Choosing your Flowers

We tailor our flowers to your occasion and take pride in creating arrangements that reflect your individual wishes.

For weddings, we take particular care to match the choice of flowers and style of arrangements to the theme of your special day. Knowing the church building, we can provide suggestions and advice on colour, size and position of arrangements to make best use of light and space.

For Weddings Only: After your consultation with Jane, please complete the Order Form at the end of this booklet.

We need final details and payment at least 6 weeks before your wedding so we can book our flower arrangers.
